

Dear Neighbor,

Just a note to remind you that we are here, not far away. We are thinking about you and praying for you. Please don't hesitate to let us know of anything you might need.

Love does no harm to a neighbor.
Therefore love is the fulfillment of the law.

Dear Neighbor,

Just a note to remind you that you are not alone. We pray that all is well in your home. Although we can't visit, during this time, hopefully we can chat, outside, sometime soon. Don't hesitate to let us know of anything you may need.

Finally, all of you, be like-minded, be sympathetic, love one another, be compassionate and humble.
~1 Peter 3:8

Dear Neighbor,

We know you are working from home and homeschooling just like we are. This is just a note to encourage you to hang in there. Things seem uncertain now, but the truth is, it has always been uncertain - we only thought we knew what tomorrow would bring. In the middle of homeschooling and working, take some time to rest and regroup. Everything is going to be just fine. We are here for you if you need us - don't hesitate to let us know what you may need.

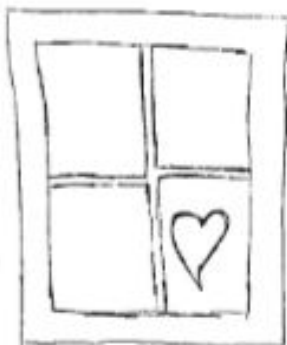

"For I know the plans I have for you," declares the LORD,
"plans to prosper you and not to harm you, plans to give you hope and a future."
Jeremiah 29:11 NIV

Dear Neighbor,

We are here for you! We've heard the warnings about social-distancing, but we are still neighbors and we are here for you. Please let us know of anything you might need.

Therefore, as we have opportunity,
let us do good to all people,
specially to those who belong to the
family of believers.

~Galatians 6:10
